Dear Students,

Congratulations on your accomplishments in the first year of the World Studies Curriculum.

I am very impressed by your three projects. This was a great way to explore our history and engage the community in learning about its relevance to our world today. Thank you for your hard work and efforts to make the school, community and world a better place to live in such a creative way.

I wish you all the best in school. Keep up the great work!

Sincerely,

Debbie Stabenow
United States Senator
